### **Oilpath / HydraForce Award Winning Partnership**

Oilpath is proud to be partners with HydraForce as an award winning distributor and stockist of their comprehensive range of high quality control valves and control systems.

With a unique blend of customised design solutions and superior product performance, HydraForce are the largest cartridge valve manufacturer in the world and are leading the way in manufacturing the highest quality hydraulic cartridge valves, manifolds and electro-hydraulic controls.

Oilpath's partnership with HydraForce offers unique access to this World class array of products and services that are utilised not only as resale items but as the essential valving elements in Oilpath's standard and custom made manifolds.

# HydraForce Cartridge Valves & Controls

## Cartridge Valves

Relief Valves, Sequence Valves, Pressure Reducing Valves, Check Valves, Directional Control Valves, Lock Valves, Shuttle Valves, Flow Control Valves, Flow diverter/ Combiner Valves, Pressure Reducing Valves, Pressure Compensators etc.

*See [www.hydraforce.com](http://www.hydraforce.com) for range.*

## Solenoid on/off Valves

Poppet-Type 2-Way Valves, Spool-Type 2-Way Valves, Poppet-Type Blocking 2-Way Valves, Spool-Type 3-Way Valves, Poppet-Type, Blocking 3-Port Valves, Spool-Type 4-Way, 2-Position Valves, Spool-Type 4-Way 3-Position Valves, etc.

*See [www.hydraforce.com](http://www.hydraforce.com) for range.*

## Proportional Flow Control Valves

Proportional Pressure Control, Relief, Reducing / Relieving

Proportional Directional Control

Electronic Valve Controllers

EVDR Programmable Valve Drivers

*See [www.hydraforce.com](http://www.hydraforce.com) for range.*

## Oilpath Hydraulics

Oilpath Hydraulics remains the only Designer and Manufacturer of Hydraulic Directional Control Valves in Australia, utilising its experienced long serving team to supply hand honed and fitted spool valves to the highest Quality standards.

Oilpath also designs and manufactures integrated Hydraulic Control Manifolds utilising HydraForce Cartridge valves, and custom designs and manufactures special control equipment to customer requirements.

The Oilpath name is synonymous with directional control valves in the Agricultural Industry. Over the last 20 years Oilpath have also been developing the same excellent reputation for the design and manufacture of hydraulic control manifolds not only for agriculture but for a broad range of other end use applications throughout Australia.

### Contact Us

Contact Oilpath or visit our Website for further information on the OP Control Valve range, or your Hydraulic Manifold requirements.
